

Reserving Tennis Courts

<http://www.reservemycourt.com>

At this time, court reservations are for TLHS teams that include ALTA, USTA, K-Swiss and T2. Resident court use will be on a first come, first served basis, but it's recommended that before you schedule a friendly match you check [reservemycourt.com](http://www.reservemycourt.com) so you are aware of any team reservations.

Tennis captains:

You will still need to submit a [Tennis Registration Form](#) and indicate which night is your first, second and third choice for practice. Once received, your team's practice night will be communicated to you. As captains, you need to reserve your practice night as well as your home matches utilizing Reserve My Court

T2/K-Swiss and other individual leagues:

You will be required to register on Reserve My Court and schedule your match times. Please print out your reservation and take it with you to the court.
